A heel means the back part of a person's foot between the foot and the leg. But do you know the meaning of " Achilles' heel "? It's a story from Greece. A sea nymph, Thetis, had a son, Achilles. To make her son not be hurt, Thetis dipped Achilles into the river of Promise. However, the water didn't touch the heel where Thetis held him. That is why the heel became his big weakness.

When Achilles grew up, he became the best fighter in his country. Because of the bless from the river, he wasn't afraid of any knives and arrows. He also won lots of wars, and got many towns and places. One day a man, Paris, suddenly shot an arrow into his heel during a war. And Achilles died right away.
