No. 2:

Hello. The name of my character is *Yor*. She (52) to be a housewife, but actually she's a killer. The contrast of the two sides is the reason why the fans love her.

No. 4:

No. 10:

"The new year is going to be great, my friends!" *Reagan*, the character I play, would surely say so. I saw two cosplayers, No.3 and No.8 just now. They are playing the young guys I should protect in the comic. I don't know them yet, but I will ask them to take a photo together.

No. 11:

Hello, call me *Anya*. No.2 is my sister in real life, but the characters we play are mother and daughter in the comic. Aren't we cute?

No. 12:

The character of mine is *Tiger*. No.1 and I have been cosplays for years. There's another guy playing our teacher. I guess we can be friends.

It's just the beginning of this convention, and it will last for a whole weekend. The top 12 could still change anytime. Just vote for your favorite cosplayers, and they may also be popular enough to be on our list and get interviewed. For those who aren't interested in voting, buy the dolls and CDs of your favorite comics. You can also sing your favorite anime songs with those dancers (53) the booths, or just take photos with cosplayers and posters. These are all classic ways to enjoy this amazing carnival!
