Demon Slayers are a team of guys (31.) all kinds of skills to fight. They slay demons for people. Demons are bad. They eat people. Also, people get infected with their blood — when people touch or drink demons’ blood, they become demons, too. We only have two ways to slay demons — to cut off their heads or to burn them by the sun.

After fighting with each other for years, now it’s the final battle between demons and the *Demon Slayers*. The *Elite Slayers* are top ones in the team. They become the teachers to train other young slayers. They help young slayers get ready for the fights!
